

Setting Up the Citrix Xen-App Client

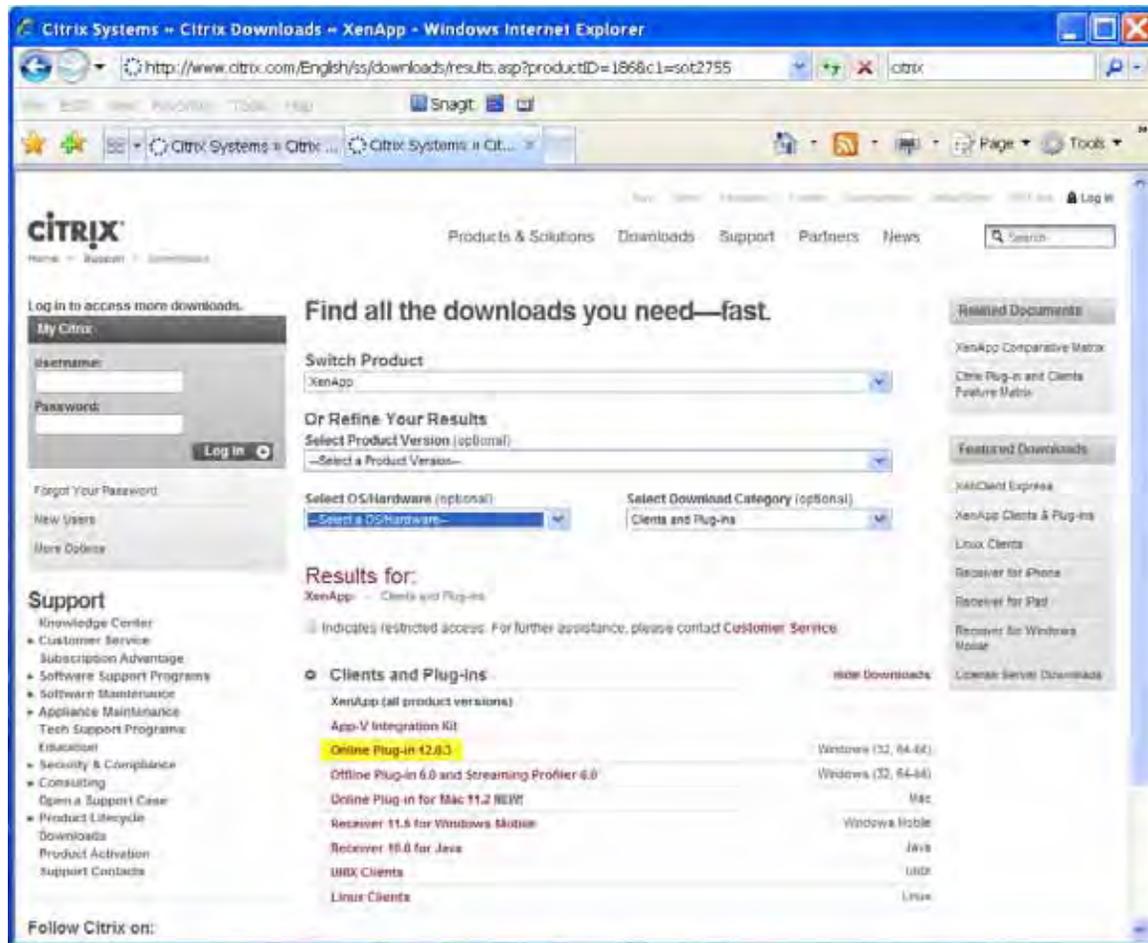

Navigate to the Citrix Download Site. <http://www.citrix.com/site/SS/downloads/index.asp>
You will be taken to the following page.

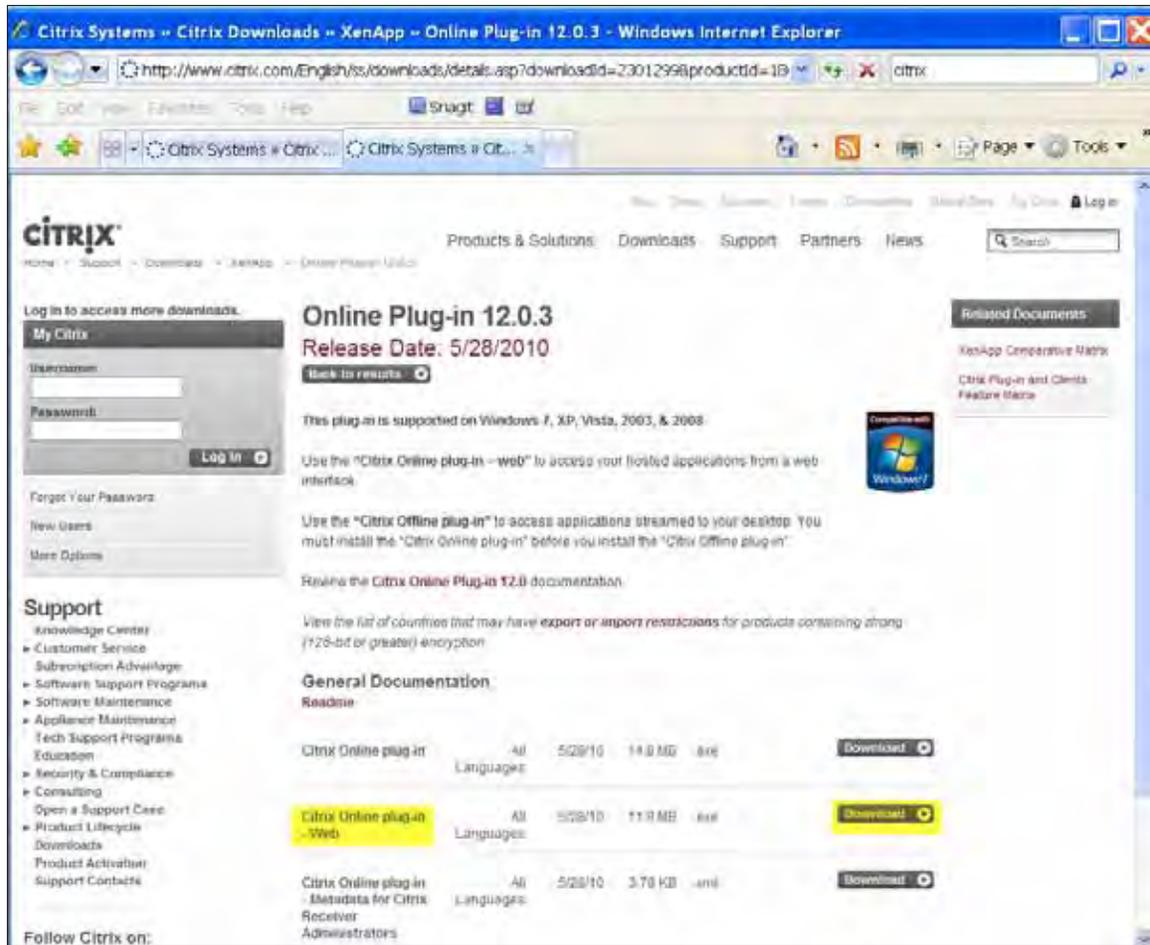

Using the box on the center left, CITRIX CLIENTS, click the LEARN MORE link in the bottom right corner.

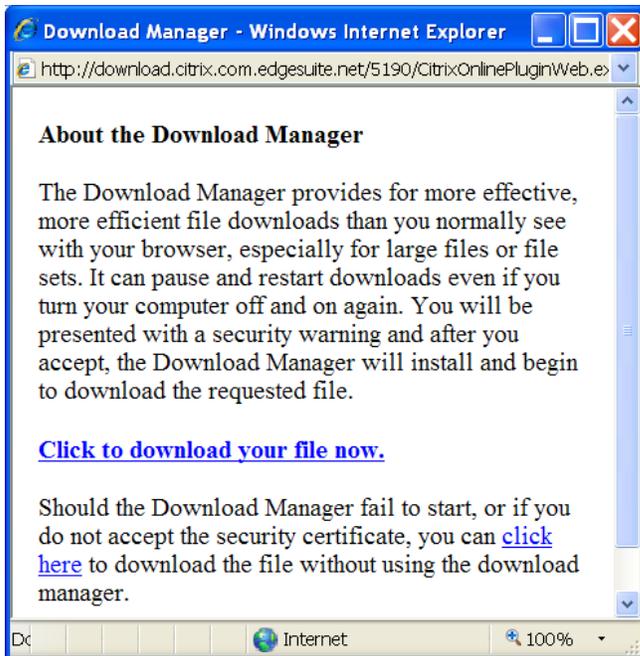

In this screen, using the dropdown box under SELECT OS HARWARE, select Windows 32/64 bit and the window will refresh leaving two choices to select from as seen in the following screen.

Under Clients and Plug-ins click the Online Plug-in 12.0.3 and you will be taken to the next window to select the appropriate download to install the Online Plug-in

Choose Citrix Online plug-in-Web and click the Download button. The Download Manager may appear.

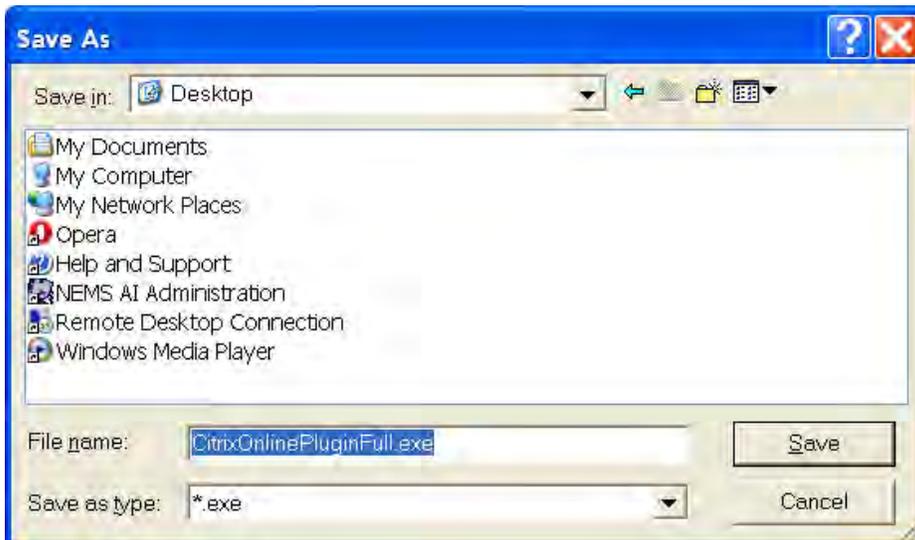

On this window, simply [Click to download your file now.](#)

NOTE: YOU MAY OR MAY NOT GET A NARROW YELLOWISH BAR ON TOP OF THE BROWSER WINDOW. IF YOU DO YOU MUST RIGHT CLICK IN THE BAR TO INSTALL THE ACTIVE X CONTROL

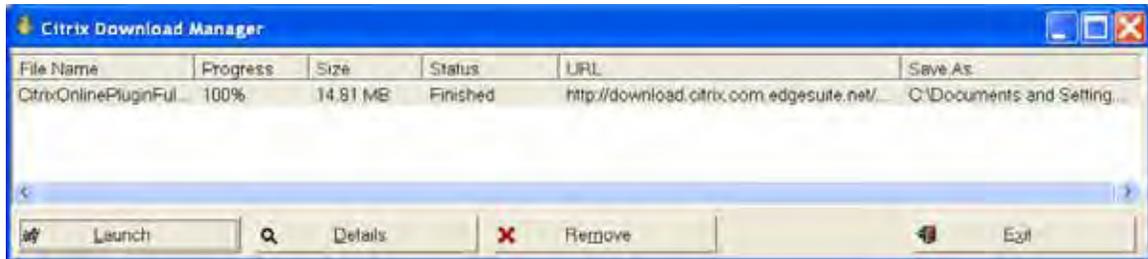

(NOT SHOWN IN THIS DOCUMENT) If your sound is turned on you will hear a 'beep' and the yellow bar will appear.

A gray popup box may appear with the question "Do you want to install this software?" Click "Install"

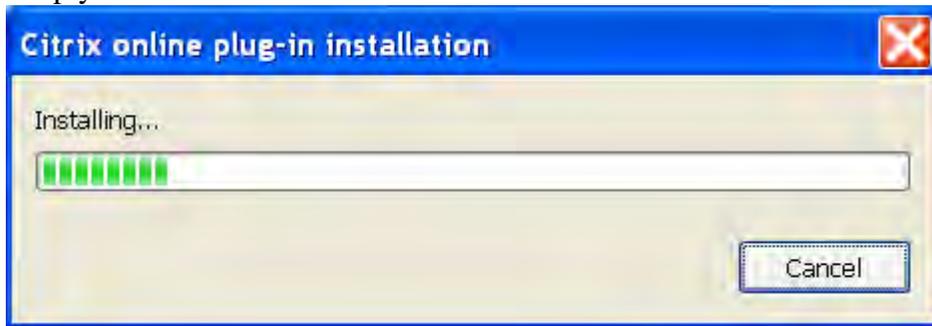

Save this file to a location where you can remember where it is. I suggest changing the dropdown box from MY DOCUMENTS TO DESKTOP. Once you make the change click SAVE.

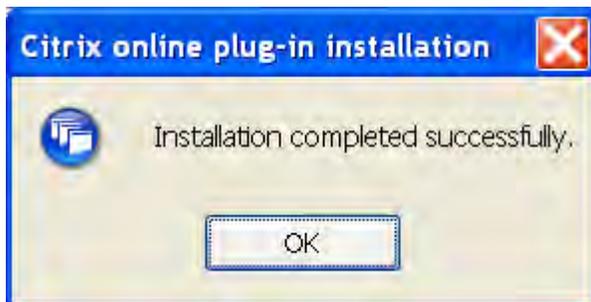

This new window will pop up showing the download in progress. Once finished you will see the following window:

Simply click the bar on the left bottom side LAUNCH

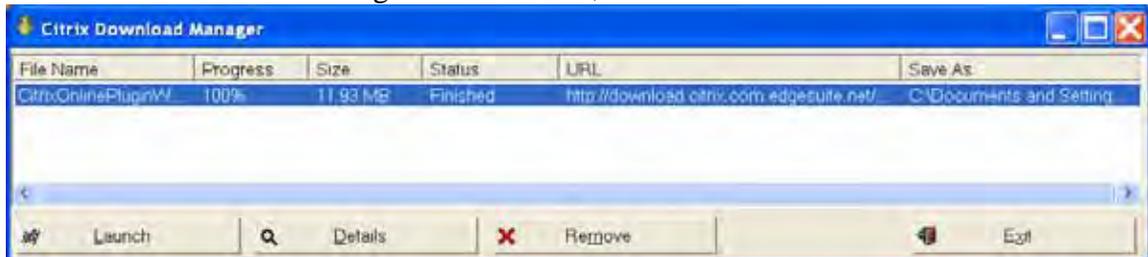

Wait until the application installs and the next screen will appear

Click OK.

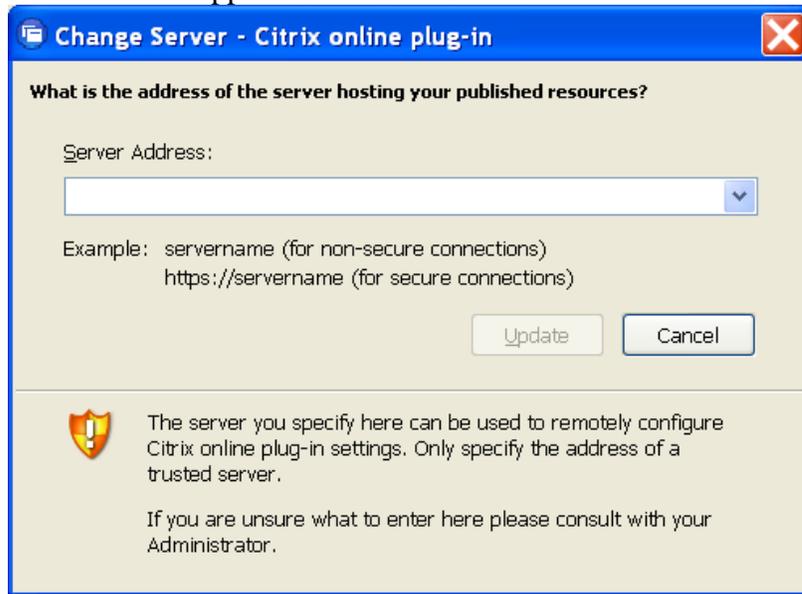

If the Citrix Download Manager is still visible, click Exit.

Click Yes on the Download Manger-Warning

If this window appears click CANCEL.

Click CLOSE

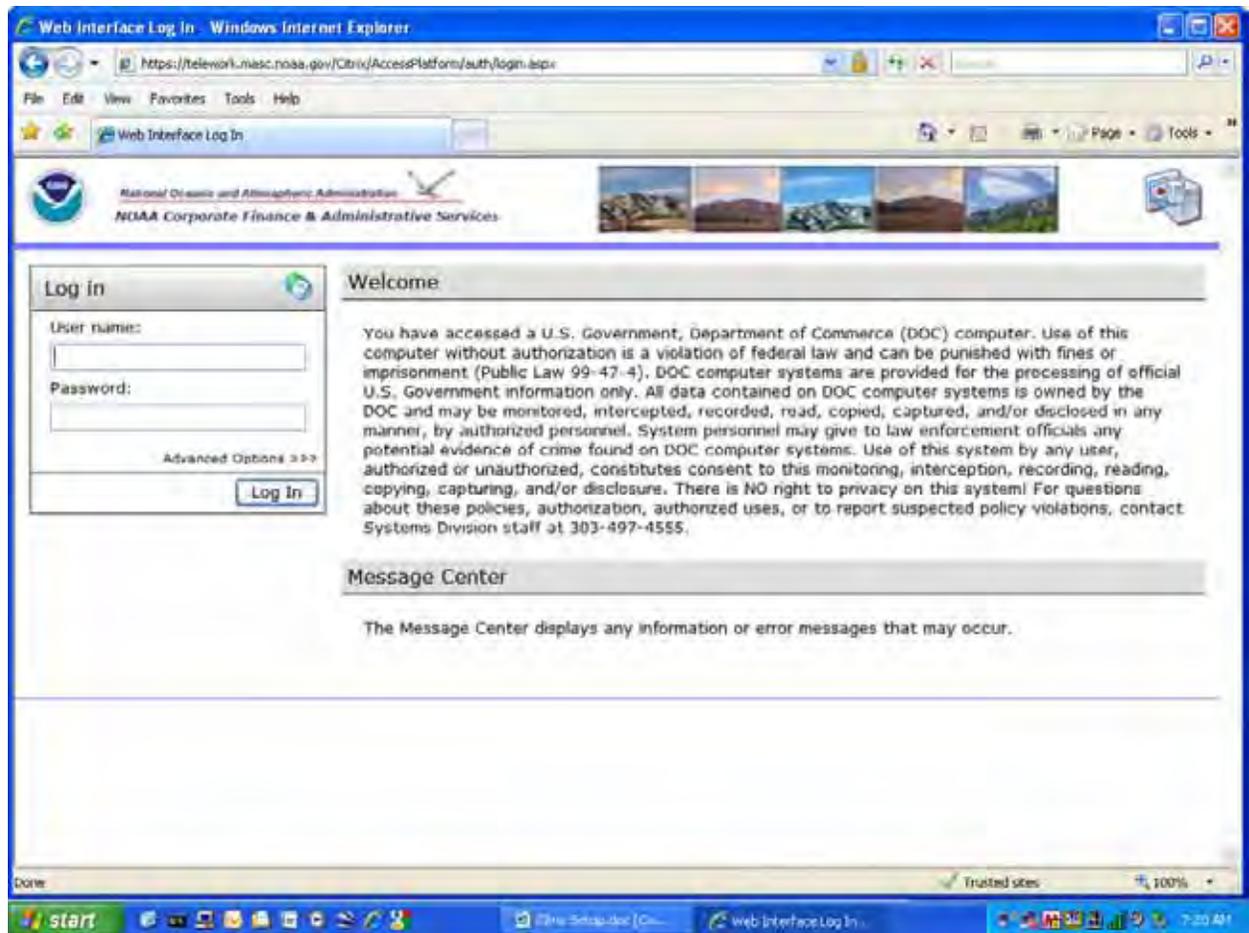

Close the Citrix web page where you downloaded the Online Plugin.

Then open Internet Explorer and insert the following into the address bar by pressing CTRL and clicking on the link below:

<https://telework.masc.noaa.gov> (remember, this is **https not http**)

After entering <https://telework.masc.noaa.gov> hit ENTER on the keyboard

You are now taken to the Citrix login page. Logon with your network username and password just as if you were logging into your computer at work.
