LONG TERM PARKING: "Date Vehicle In: " _____ Date Vehicle Out: _____

NOTICE: NO IN AND OUT PRIVILEGES

LIMIT: One operable, legally owned, licensed vehicle (passenger car, light truck, motorcycle) per approved individual, no RV's, trailers, commercial use vehicles or equipment, or project vehicles.

Vehicle may only be removed by the owner of record or a duly authorized representative with verified credentials, written authorization, and prior review of the manager named on this form. Vehicle owners must coordinate with Facilities. Vehicle owners must notify the WRC guard on duty before removing their vehicle and must return the mirror tag.

Long term parking permits must be completed prior to placing a vehicle into long term parking. Long term parking is not to exceed 3 months without prior approval of the Facility Manager or the Regional Security Office. Vehicles exceeding this period and/or placed in long term parking without proper authorization will be towed at the owner's expense. NOAA is not liable for any damage or cost associated with towing.

NOAA is not liable for damage, theft or loss of a vehicle or contents within.

NOTE: Short Term Parking at WRC

The WRC provides short term parking for all personnel. Short term parking, which is defined as parking that does not exceed five (5) days, is allowed within the confines of the area in the upper parking lots. Short term parking requirements are as follows:

- ◆ WRC Parking Decal required – Available at Pass and ID Office, Building 1, 2nd Floor
- ◆ Rules applicable for long term parking do not apply for short term parking use
- ◆ All posted traffic/parking control signs must be obeyed
- ◆ Unauthorized use and/or illegally parked vehicles will be towed at owner's expense
